*(REQUIRED FOR STUDENTS WITHOUT LAWFUL IMMIGRANT STATUS)*

**My Colorado High School SASID** \_\_\_\_\_\*

\*Optional but not required

- What is my Colorado High School SASID? SASID stands for State Assigned Student ID. It is a 10 digit number assigned to you because you attended a public school in the state of Colorado and is available to you through your high school (if public). Many high schools list this number on your high school transcript.
- If you graduated from a private high school but attended a public school at any time since 2003, your public school would have assigned a SASID and you may be able to request it from the last public school that you attended or the school district.
- Can I submit this application without this number? Yes. You do not need to provide this number to apply for COF, but if you know your SASID please provide it.
- Why is the SASID important? This number will need to be added to your COF account before the college you attend can request this state funding on your behalf.
- Every effort will be made to find your SASID if you do not know it, but COF payments may be withheld until your SASID is identified.

### **IMPORTANT ADDITIONAL INFORMATION**

3. You only have to apply for COF once. You will receive the stipend each term you take eligible undergraduate courses at a college participating in the College Opportunity Fund (COF) and have not exhausted the 145 lifetime credit hours allotted by the state of Colorado when you applied for this state funding.
4. If you signed the Affidavit, you only have to complete it once, even if you transfer to another college.
5. For privacy purposes, the information you provide on the Stipend Application, will only be available to you and the college you are attending. The college, with your authorization, will use this information to match your COF account to information you have provided the college when a request for payment is made on your behalf, and will be used to help you access your account information if you forget your User ID and/or password.
6. Completing this Stipend Application does not guarantee you admission into a Colorado college or university. You must complete the admission process with the college or university you wish to attend in the state of Colorado.
7. Completing this Stipend Application does not make you a Colorado resident, nor does it begin any process to determine Colorado residency. The college or university you attend determines residency. If you have any question about whether you are considered a resident, contact the college or university you wish to attend.
8. Completing this Stipend Application does not automatically make you eligible to receive this state funding. You must meet the requirements listed under the FAQ tab at: <http://cof.college-assist.org>. Your college or university determines your eligibility for this funding based on those requirements.
9. Completing this Stipend Application does not make you eligible for financial aid. You must complete the financial aid process designated by the college or university you wish to attend.
10. Future College Opportunity Fund payments are contingent on an annual appropriation by the Colorado General Assembly.
